Gowanda's Historic  
**Hollywood Theater**

The Hollywood Theater is in need of major restoration. Let's Rally!

The Hollywood Theater stands as a catalyst to invoke inspiration towards the welfare of her community. A reflection of prosperous times intertwined with the hopes and dreams to rebuild an economy rooted in commerce and tourism.

Constructed in 1926, the Hollywood hosted big bands, vaudeville performers, first run motion pictures and live performances. Abandoned in 1992 and left to neglect, time and weather took its brutal toll. Not forgotten, the Hollywood Theater was named as a New York State and National Historic Registry landmark.

Through fundraising and grants, dollar by dollar, our goal is to restore the Hollywood Theater and let her marquee light up Main Street once again. It's largest fundraiser, the Harley Happening at the Hollywood is only a glimpse of what can become.

**We Need  
 Your Support**

**Ride! Rock! Rally!**  
 Take the beautiful ride to Gowanda, NY, rock to two days of live music, participate in biker activities and enjoy the best food and cold ones around! There is **no admission fee**, just spend generously with the vendors and local businesses, in return they support the Hollywood Theater through donations and sponsorships.

Once long term restoration is complete the Hollywood Theater is to become a regional center for the performing arts. Your donations are needed, call (716) 532-6103.
